### **POSITIVE PROFIT ALERT**

This announcement is made pursuant to Rule 13.09 of the Listing Rules and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the SFO.

Based on preliminary assessment of the management accounts of the Group, the Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to record an increase of approximately 50% in the consolidated net profit attributable to the owners of the Company for the six months ended 30 June 2019 as compared to the same corresponding period in 2018.

**Shareholders of the Company and potential investors should exercise caution when dealing in shares of the Company.**

This announcement is made by Pak Fah Yeow International Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “SFO”).

Based on preliminary assessment of the management accounts of the Group, the board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company and potential investors that the Group is expected to record an increase of approximately 50% in the consolidated net profit attributable to the owners of the Company for the six months ended 30 June 2019 as compared to the published consolidated net profit attributable to the owners of the Company of HK\$13.9 million for the same corresponding period in 2018. The Board considers that the expected increase was mainly attributable to a significant increase in the sales revenue of Hoe Hin

products for the six months ended 30 June 2019 of not less than 70% as compared to the sales of Hoe Hin products of HK\$40.6 million of the corresponding period in 2018, partly offset by the unrealised fair value loss on the Group's investment properties as compared to the unrealised fair value gain of HK\$13.4 million of the corresponding period in 2018 due to assessment of property valuation. During the first half of 2018, sales revenue of Hoe Hin products in Hong Kong was affected and declined significantly at that time as a result of the structural change in distributorship, where sole distributorship was replaced by collective wholesalers.

The information contained in this announcement is only based on preliminary assessment performed by the Board with reference to the Group's management accounts and information currently available to the Company and has not been reviewed by the Company's auditor and the audit committee, and may be subject to amendments.

The interim results announcement of the Company for the six months ended 30 June 2019 is expected to be published on 22 August 2019.

**Shareholders of the Company and potential investors should exercise caution when dealing in shares of the Company.**
